DYSART COURT OF REVISION FINDINGS

Dysart Court of Revision was held in the Community Hall with M. H. Black sitting as Chairman and L. Morrison, B. Gould, G. Reynolds and Dr. L. H. Carroll as the remaining members of the Court. The following were the judgments handed down by this Court.

1. Wm. Sarginson of Haliburton appealed land assessment on Lots 29 and 30 in Con VI of Guilford. Each lot assessed for \$150.. Lot 29 reduced to \$75; portion of lot sold. Lot 30 reduced to \$75. portion of this lot shown on map is incorrectly placed and should be on lot 31.

Lot 31 Con VI Guilford owned by G. Hodgson increased from \$60. to \$150.

2. Wm. Sarginson, of Haliburton appealed assessment on building on Lot 36, Con XI of Guilford, to amount of \$75; building is not contained on this lot, although used by the appellant. Assessment repealed, to be properly charged to its rightful owners, Hay & Co.

3. Wm Sarginson appealed assessment on land to amount of \$150. on lot 32, Con IV, Guilford. Portion of lot sold to be assessed for \$40. to present owner.

Roy Brohm, Haliburton appealed on building assessment of \$75. on cabin on Crooked Lake. Reduced to \$25.00.

5. Fred Parish, Haliburton appealed assessment of \$60. on sawmill. Assessment sustained.

6. Fred Parish appealed assessment on Lot 21 Con VI Dysart, Change of ownership. Assessment reduced and changed to present owners.

7. A. Elstone, Haliburton, appealed assessment on Lot 1, Con VII of \$175. reduced to \$125. Appeal on Lot 2 Con VIII to be checked for timber value, present assessment sustained.

8. Hugh Griffin, West Guilford; appealed business assessment 1949 business not operated during this period. Appeal allowed and refund ordered.

9. Hugh Griffin appealed land assessment on Lot 14, Con VIII Guilford portion of lot flood and waste and. Reduced to \$50.

10. Hugh Griffin, appealed land assessment on Lot 14, Con VIII, Guilford, portion of lot a small unmapped lake. Reduced to \$50.

Assessment changes on the two above lots was revoked later and assessment sustained.

11. Hugh Griffin appealed assessment on 4 acres in Lot 6 Con V totalling 4 acres to amount of \$75. Assessment sustained.

12. Mrs Gladys McIntosh, W. Guilford, appealed land to amount of \$140. business \$125 and buildings \$450. Business assessment repealed, land and buildings sustained.

13. Mrs Geo Brennan, Haliburton appealed business assessment \$100. sustained.

14. Jas Botting, Haliburton appealed business assessment on change of ownership. Assessment repealed and charged to present owner.

15. Arch Roberts, Haliburton appealed land and building assessment on Lot 4 Con XII Dudley. Small portion of total amounting to 1/2 acre.. Land reduced to \$40 and building to \$75.

16. Mrs W Wghtman, Harcourt, appealed business assessment Lot 1, Con 1 Harcourt. Assessment to be readjusted on basis of cottage used for rental purposes.

17. H.E. Tompkins Harcourt appealed assessment of land, buildings and business. Assessment sustained.

18. Hay & Co. Haliburton appealed assessment against 140 acres of their holdings crossed by HEPC and from which timber removed. Assessment reduced from timber lands to slash land assessment.

19. Hay & Co. appealed assessment on 705 acres of their lands which are covered by small un-

EDITORIAL

A JOB WELL DONE!

Court of Revision in Dysart has given ourselves and the ratepayers of Dysart the opportunity of judging their full time assessor, Mr. Lewis Roberts. He has now made assessments for the years 1949 & 1950 and it appears logical that we might assess the Assessor in an effort to determine if the assessment in this Municipality has approached any closer to an equitable assessment.

It is our opinion that Mr. Roberts has accomplished to a degree the task that was set for him. The difficulties of equitable assessing in such a short period of time is obvious, particularly when it is appreciated that there are thousands of acres of timber and wooded areas which would take years for one person to cruise and assess individually, also there is a great variety of building establishments to modern summer hotels. Then of course there is always the problem of making assessment on lake shore frontages. And any attempt at finding a solution to this controversial subject must indeed be arduous. There are complaints on every hand that assessments have been raised. It should be realized that all assessments in the Municipality were low and although all seem to have been increased, Mr. Roberts has made a conscientious effort to obtain an equitable assessment of these various properties by determining actual values and from these determine an equitable assessment. As a member of the Dysart Council and latterly as a member of the Court of Revision we congratulate Mr. Roberts on his work during the past two years. We have every confidence that more equitable assessment will be forthcoming from year to year.

LUMBER FOR SKI CHALET DONATED BY LOCAL LUMBER MEN

The Haliburton Highland's Ski Club held its general meeting at the Highlander Hotel on Friday evening.

"If a considerable number of skiers are to be attracted to this area there are certain requirements we must meet," declared Robert Bishop The president, urged the members to support the numerous committees that have been set up. Russell Dart and Jack Hunter were elected to form a Committee for the Maintenance and Operation of the Ski Tow. The members congratulated these two men on the splendid job they had done last year. It was reported by Mr. Hunter that there were some minor changes to be made on the Tow itself which would further increase the efficiency and service of it.

Dr. Harry Bishop was elected to head the construction committee. It is hoped that by the time the skiing season has arrived the Club will have constructed a Chalet. The National Steel Car Corp., The International Steel Car Corp., and Hay and Co. have kindly offered to supply the lumber for this Chalet as well as for toilet facilities. With this kind donation of lumber, the Club are depending on volunteer labour to erect same.

Ron Curry who came forth with the suggestion of ski trails at the executive meeting outlined to the members exactly what he had in mind. "Cross Country Trails are interesting and attractive particularly to average and older skiers who have lost their zest for more thrilling runs," contended Mr. Curry. The members were enthusiastic and plans were laid to have trails immediately.

An accommodation committee was set up so the Club would have a

ARMISTICE DAY SERVICE CONDUCTED BY LEGION

The Haliburton Branch of Canadian Legion are planning an impressive service on November 11th. Members of the Legion, veterans and the Women's Auxiliary will parade from the Legion Hall at 10.30 a.m. to the Cenotaph. Bag pipes will be in attendance and it is expected that either Premier Frost or C. W. Hodgson, M.P. will be guest speaker. There will be a public signal of silence at 11 o'clock. Citizens are all urged to attend this Armistice Day service.

HIGH SCHOOL PLAN COMMENCEMENT 18th

Citizens of Haliburton and vicinity are in for an interesting evening when the Haliburton High School entertains at its very first Commencement. This will take place in the Community Hall at 8 o'clock. Certificates will be presented to Grades 10, 11, 12 and 13. The trophies which were won by students at the Field Meet will also be presented. Mr. Booth, the High School Inspector in this district will be the guest speaker. A very interesting address will certainly be heard by those in attendance.

The pupils of the High School will present a short program of plays which will add to pleasure of this occasion. Everyone is most cordially invited to attend. Please do not forget, the Community Hall at 8 p.m. Friday the 18th.

Miss Jean Scott, Miss Gery Dunford and Mr. Cliff MacFaden of Peterboro visited at the home of Mr. and Mrs. George Brennan at Haliburton.

CURRY MOTORS RECEIVE G.M. AWARD FOR 25 YRS. SERVICE TO COUNTY

General Motors Products of Canada signally honoured the firm of Curry Motors of Haliburton on Thursday evening.

The presentation was held at Wigamog Inn. The occasion was a Quarter Century as dealers of G.M. Products.

Friends and relatives of W. R. Curry and R. J. Curry, his son, were invited to attend and Mr. E. J. Humphrey, the General Motors Director of Sales presented the firm with a beautifully engraved wall plaque on which was mounted a symbolic figure. Also presented was a handsome dual pen desk set.

Announcing that approximately one hundred pioneer dealerships throughout Canada with twenty five or more years of continuous service to their credit had qualified as "Quarter Century Dealerships" Mr. Humphrey described them as "partners in progress." These time proven dealerships he said, had earned in their local communities an enviable reputation for integrity and progressiveness, and they have accomplished a vitally important job, growing with a new industry, winning confidence and setting high standards for that industry.

"That is why in appreciation of their continued loyalty and in sincere acknowledgment of their contribution to the development and growth of the whole G.M. organization General Motors is proud to honour them as "Quarter Century Dealerships" said Mr. Humphrey.

Mr. Fred Webster, Ontario Land Surveyor of Haliburton spent the week end at his home in Toronto.

C.G.I.T. RENDER USEFUL SERVICE

The C.G.I.T. held their regular meeting in the United Church basement. Handicrafts were worked at prior to the meeting.

The meeting was called to order and "The Purpose" repeated. A hymn and Scripture followed. The prayer was read and a member heard a poem. Another hymn was sung and the offering was taken. Roll call was next and the minutes were read and approved.

Starting Sunday night, C.G.I.T. members will baby sit for young couples to enable them to attend church.

couples to enable them to attend After the meeting closed, games were played.

MISS BEULAH WALKER AT NAKINA OUTPOST

Miss Beulah Walke of the Haliburton Red Cross Outpost staff has temporarily moved to Nakina Outpost as Nurse-in-charge while the present nurse is convalescing from an illness. Nakina, which lies several miles north of Fort William, Walker accepted the charge when is a one nurse Outpost and Miss she realized that due to the shortage of nurses it was difficult to find a substitute nurse. It is expected that she will be in Nakina for four to six weeks and will return to Haliburton at that time.

Mr. and Mrs. W. W. Noice of Minden attended the induction service in Albion, N.Y. of Rev. Browne a former pastor of St. Paul's. They visited friends at Niagara Falls, Ont. en route home.

EDITORIALS

MAY HAVE REACHED TURNING POINT IN METHODS OF ARRIVING AT ASSESSMENTS

The Court of Revision for Appeal
of Assessments for 1950 for the
Municipality may prove to be the
turning point of a new system of
Assessments in the Municipality.

Previously assessment of timber
lands had followed the system laid
down many years ago when the
timbering lands were owned and
controlled by the English Land Co.
og Haliburton. The holdings of
this Company included several
complete Townships and in order
to make an assessment of the lands
at all feasible it was essential that
a system be formulated whereby
all lands were assessed in a block.
For this purpose an agreement was
made between the Land Company
and the Municipality that \$3.00 per
acre be charged for timber lands
and a decreasing scale used for
cut over and slash lands. This
system has continued in spite of
the fact that almost the entire hold-
ings of the original English Land
Company have been sold into small-
er blocks.

Indeed the Hay & Co. lumber-
men in Guilford and Havelock
Townships to the extent of some
45,000 acres, were not aware that
the lands were continued to be
assessed as a block or stabilized
assessment. Surveys of their prop-
erty made by employees of the
company revealed that on their
holdings there were many small
lakes and ponds varying in size
from an acre or two to 30 acres.
These lakes were unnamed and not
even marked on the maps. Since
Hay & Co. were of the opinion
that some 75 acres be deducted
from their holdings and that their
assessment be reduced some \$900.
in respect to same.

Such a request appeared reason-
able at first to the members of the
Court of Revision, but further dis-
cussion made them realize that
the Municipality would be losing
assessment that was justifiable
under the old system of "block
assessing." Since the only infor-
mation that they had obtained on
this subject was from government
survey maps, it was finally decided
that until such time as the indi-
vidual one hundred acre lots could
be individually assessed and such
exemptions made when they were
found, that the assessor would
continue to assess at the old "block
system." All members of the Court
realized that this might be creat-
ing a hardship on the present own-
ers of these lands but at the same
time the Municipality might also
stand to lose, in that it was con-
ceivable that some timber lots
assessed at \$300. per 100 acre block
might have much greater assess-
ment value. It was felt that the
only way an accurate assessment
could be made would be to make
a complete timber cruise of the
timber and cut-over lands, such a
cruise would almost of necessity
require a survey in order that the
individual lots be recognized. This
would entail a cost greater than
the Municipality could possibly
bear.

The Municipal Clerk, however,
presented a solution when he read
a section from the Assessment Act
to the effect that if the assessor
found it necessary he could request
a description of the lands or prop-
erty from the property owner to
the amount and extent that he
might require for a proper assess-
ment. Accordingly it was recom-
mended by the Court that the as-
sessor do away entirely with the

old "block" system of assessing and
begin a system whereby each lot
would be assessed individually as
it appeared on the Assessment
Roll.

The Assessor was also instruct-
ed that such information gathered
from the landowner should include
information as to the amount of
timber on the lot, the amount of
cut-over or slash, the proximity to
roads, the number of feet of lake-
shore if any, the type of shoreline
the presence or absence of unmap-
ped or flooded lands and any fur-
ther information that could be ob-
tained in order that an equitable
assessment be made of these tim-
ber areas.

The Court are to be commended
on their recommendation. It is only
through accurate description of
these lands and comparisons with
other properties in the Municipality
that a truly equalized assess-
ment can be drawn.

The Court also recommended that
every effort should be made to
solicit the cooperation of the other
Municipalities in the County in
order that an Equalized County
Assessment might be achieved. If
such was accomplished each Mun-
icipality would be bearing its true
and proportionate cost of the Coun-
ty Assessment.

SUPPORT YOUR WINTER SPORTS ORGANIZATIONS

WINTER SPORTS UNDERWAY

Winter Sports in Haliburton have
definitely made a beginning for
the coming season. The Halibur-
ton Huskies Hockey Club had their
first practice in the new Peter-
borough Arena. A good turnout of
candidates gave the management
assurance that a good team would
represent the northern village in
the O.R.H.A.

The Ski Club has been bus-
holding meetings, appointing build-
ing and trail committees for the
erection and alteration of their
present buildings on the property
to the east of the village. The
entire executive are enthusiastic
over the skiing possibilities in the
area and urge the backing of all
business and lodge operators in
order that this, our really first
year, may be a splendid start in
laying the ground work of future
winter skiing business.

The curlers have not been idle
and their rink, partially completed
last season, is receiving the final
touch which will make it an at-
traction not only to the village, but
also to the many visitors who will
attend the local bonhpiels.

The Tourist Association has also
been active of late and are making
every effort to cooperate with the
hockey, skiing and curling clubs
to attract visitors to the County
both in the winter as well as the
summer season.

These organizations are managed
by local people who have not only
an interest in the various sports,
and by people who don't know one
end of a ski from the other, or a
curling stone from a hockey puck.
These non-sports persons lend a
These non-sports persons lend their
support to these organizations
in the hope that the County will
develop a winter clientele equal
to that now enjoyed during the
summer season. It behooves every
citizen to give them their support
as tourist business is not advan-
tageous to only the resort owners
and operators, but rather TOURIST
BUSINESS IS EVERYBODY'S
BUSINESS.

RADICAL CHANGE IN EDUCATION SYSTEM

The Honourable Dana Porter,
Minister of Education for the
Province of Ontario at a recent
speech in St. Thomas, outlined a
radical change which will be in-
corporated into the educational sys-
tems in Ontario. It has been the
opinion of leading educationists
for some time now, that our system
was antiquated in that there was
too great a division between pri-
mary and secondary school education.

The chief changes are outlined
in the following:

1. Examinations will no longer
be required for entrance into High
Schools.

2. The present 13 Grades will be
divided into four divisions —
primary, junior, intermediate and
senior — to eliminate the dividing
line between primary and second-
ary schools.

3. Redistribution of the teaching
load in the higher divisions will be
made by the transferring of certain
subjects.

4. The responsibility of outlining
the courses will be shifted to the
local or municipal level.

5. Special changes in various sub-
jects will be made to meet chang-
ing needs and conditions.

Redistribution of the teaching
load will be possible by transfer-
ring various subjects from Grades
9 to 13 to the level of Grades 5 to
8. Such a system will also alleviate
the necessity of a child, brilliant
in one subject, being retarded
while other children of less adapt-
ability learn the lesson at hand.
So it will be possible for a child
now classified in one grade to be
taking subjects that may be taught
in higher grades. Thus it is read-
ily appreciated that this new sys-
tem is meeting the demand of the
particularly bright student and it
will allow progress as soon as he
is able to take more advanced
work.

Such a system which shifts the
responsibility of the student to
spend a period of time in one or
another grade will now be re-
moved, and the criterion for advance-
ment will be the ability of the in-
dividual student to assimilate
new and more advanced subjects.

The Minister is to be congrat-
ulated in this announcement and it
will no doubt result in bringing the
educational standards in the Pro-
vince of Ontario to a higher level
than ever before.

LOCHLIN

Mrs. Fitzsimmons of Lindsay
called on Mrs. Orville Hicks one
day this week.

Mr and Mrs George Exon were
business visitors in Haliburton
on Thursday.

Mr and Mrs Max Emmerson and
little son returned on Wednesday
after visiting relatives in St.
Catharines and Toronto.

Mr and Mrs Henry Newson and
John spent the week end at Na-
gara Falls.

Mr. Dave Burk was a business
visitor to Lindsay on Saturday.

Patsy Minaker entertained a
number of her little friends at a
birthday party on Saturday.

Mrs Orville Hicks and Sylvia
were business visitors in Halibur-
ton on Saturday.

The regular meeting of the W.A.
was held at the home of Mrs. Har-
vey Minaker on Wednesday after-
noon with 18 members present.

Marjorie Hague had a birthday
party on Thursday and a pleasant
time was enjoyed by all her little
friends.

Mrs H. Hill, Mrs SE. Gilbert,
Mrs. J. Francis, Mrs. A. Brown,
Mrs. Orville Hicks and Mrs. Russ-
ell Burk attended the first Aid
class at Haliburton on Friday
evening.

Mr and Mrs Mossom Minaker
and Glenna of Greenwood and Mr
Don Minaker of Toronto spent the
week end with the former's moth-
er, Mrs Charles Minaker.

Mr Douglas Wallace of Toronto
spent Saturday with his grand-
father Mr. Samuel Tyler.

Mr and Mrs Alfred Burk and

Leslie spent Sunday with Mr and
Mrs Russell Burk.

Miss May Burrows of Gelert
called on Mrs. Orville Hicks, and
Mrs. E. Hagar on Tuesday.

Mrs James Wruth and Miss
Gladys Wruth returned on Satur-
day after spending the past week
with friends in Toronto.

MINDEN

Among Minden friends attend-
ing the funeral of the late Mrs.
Alex Moore of Kinmount Sunday
were Mr and Mrs Alf Moore and
Phyllis; Mr and Mrs John Moore
and Mrs Harry Welch; Mr and
Mrs Ben Harrison, Boskung; Mr
and Mrs F. Herlihey, old neighbors
of the Moore family, Mrs Wm.
Mores; Mr and Mrs E A Rogers
and Mr and Mrs Wm. Lindop.

We noted on the visitors list of
friends who called were Mr and
Mrs Jas. Smith; Mr and Mrs Les
Prentice and Mrs H Graham. Mr
and Mrs Clayton Rogers; Mrs E
Windover and Mrs Isaac Snell
of Minden, where Mrs McKay liv-
ed for many years.

The Girls Guild of St. Paul's An-
glican Church, Minden, held a very
successful card party on Friday last.
Those in attendance enjoyed games
of bridge, cribbage and euchre.
The party was held in the new
Parish Hall.

Miss Steiner and Mr. Mac Irwin
won the first prize for Brige. Mrs
Fred Wright took top honors in
ladies prize for Euchre and Ren
Hewitt walked away with a first
from the other gentlemen compet-
ing in this set of players.

Miss Sylvia Howard won first
prize for ladies in cribbage and
Bill Coneybeare for men.

Following the presentation of
the prizes, a delicious luncheon
was served by the ladies of the
Guild.

The party was such a success
that the Guild are planning a
series of monthly games. Scores
of all players will be kept and at
the end of the season, a grand
prize for the highest score will be
awarded. Ladies and gentlemen
in the community are cordially in-
vited. Watch this paper for an-
nouncement date of the next party
sponsored by the Girls' Guild.

Many programs of expansion and alteration have taken place throughout Haliburton County in recent months as the merchants, ever alert to improving their shopping facilities, are keeping in step with the general trend of improvements . . . District residents are becoming more and more conscious of the advantage of shopping in their community, too. Not only is it convenient, but the quality of the merchandise available right here at home is the equal of that obtainable elsewhere. Anything and everything can be bought in this trading area where practically every phase of business life is represented . . . Community merchants take great pride in their community and endeavour to bring about all the improvements necessary to give their customers the best in shopping satisfaction, both as to merchandise and shopping service . . . "Shop locally" may be the slogan of the merchants, but it is much more than that. It is an invitation and a bit of wise counsel for the residents to patronize their merchants and at the same time to take advantage of the excellent services being offered close to home.

Community Hall Board Hold Meeting

An urgent meeting of the Haliburton Community Hall and Park Board was held in the Community Hall on Friday November 4th. Due to the advanced season and the necessity of having alterations made in the Hockey Arena, the Chairman called the meeting to discuss tenders for the construction of seats and other alterations in that building. The only tender received was from Gordon Smeaton, of Haliburton, who tendered for construction of the seats on the north side of the rink, together with construction of a fire emergency exit on the north side and also the construction of a new 'penalty time-keepers bench' on the south side. Mr. Smeaton, whose tender was accompanied with a splendid plan of the proposed construction was for \$1095.00. Construction costs were discussed by the committee and it was unanimously moved that Mr. Smeaton's tender be accepted. The new seating arrangement will accommodate approximately 400 persons and all members of the Board were enthusiastic with this improvement. The front two rows will be some 161 feet in length and the third row 200 feet in length. The Board moved that the work be completed by December 10th.

Outstanding accounts to the amount of \$103.00 were passed for payment.

The Secretary was instructed to call for tenders for manager of the rink for the coming season and to be in his hands not later than Nov. 25th. It was decided that separate tenders would be called for the manager's position and also for the management of the booth. With respect to the latter tenders were to include both lease and percentage bases of division of the proceeds. It was also pointed out that one person could tender for both concessions and they would receive favourable consideration by the board.

The need of repairs to the Arena roof was drawn to the attention of the Board and the Chairman was appointed a committee to contact Smeaton with regard to the repairs. Such work to be in addition to the contract for construction of the seats etc.

L. Smith of the Lawren Studios was to be contacted and renovation of the sign of the Arena proceeded with.

It is an ancient saying that labor is the price which the gods have set upon everything valuable.

Rice Omelet

6 eggs
1 1/3 cup boiling water.
Salt and Pepper

2 tablespoons bacon fat or margarine

1 and 1/2 cups hot cooked rice

Method: Beat eggs with rotary beater, add boiling water and season to taste. Beat until fluffy. Turn into hot frying pan and reduce heat. Cook slowly, lifting with spatula occasionally to allow uncooked portion to run into bottom of pan. When partially set, sprinkle cooked rice over top, distributing evenly with fork, then cook without stirring until delicately browned underneath. Fold and turn onto hot plate.

To serve, cut in portions and garnish.
Yield: 6 servings
Note: If desired, about 1/4 cup grated cheese may be added with the rice. Approved by Chatelaine Institute.

BEEF RICE CASSEROLE

2 tablespoons bacon fat or margarine.

3/4 pound round steak
2 medium sized onions
3:4 teaspoon salt

1:2 teaspoon chili powder or paprika

1:2 teaspoon Worcestershire sauce

2:3 cup washed rice
1 20-ounce can tomato juice

Method: Heat bacon fat or margarine in heavy frying pan. Add meat and onion and brown. Add remaining ingredients and mix well. Turn into a greased casserole, cover and bake for one hour at 350 degrees F. Yield: 6 servings.

TOURIST ASSOCIATION HOLD EXECUTIVE MEETING

The regular meeting of the Haliburton County Tourist Association was held in the Highlander Hotel Thursday evening. Almost a full executive was present. Pres. Robert Bishop occupied the chair. The minutes of the last meeting were adopted as read by Sect. Treas. Jack Hill.

A resolution was passed that the Department of Game and Fisheries be notified of the pollution of our County Lakes by saw mills. Executive member, Reg Hanscombe expressed deep concern over this problem of saw-dust being deposited in the lakes, from the standpoint of killing the fish as well as despoiling of beaches. This motion was unanimously passed.

The executive were anxious to have the local councils in the County pass Building By-Laws with the idea of improving the construction on new cottages and cabins. The members felt that the Licensing of tourist operators should be carried out as strictly as is outlined by the Government.

Bob Harvey, Chairman of the Folder Committee asked the members to bring any good winter snap shots they might have so the pictures on the folder could be altered this year. A Committee meeting of the Membership committee was arranged by the Chairman, Lorne Dawson of Minden. The financial standing of the Association was thoroughly discussed.

The road situation was dealt with by the members and a resolution passed that steps be taken to encourage the Township Councils to advocate road development grants from the Provincial Government.

The next executive meeting will be held in the Highlander Hotel on Dec. 1st at nine p.m.

In present day merchant ship building activities, Great Britain ranks first; Sweden, second; and the United States, third.

GOODERHAM

Many spooks made their appearance here on Monday evening. A Halloween Party was held at the School.

Mrs. Frederick Leveck

The funeral of the late Mrs. Frederick Leveck took place on Tuesday morning from Gooderham Interment at Kinmount Cemetery.

Mrs. Leveck had been ailing for some time and passed away at Haliburton Hospital on Saturday evening.

To mourn the loss of a loving wife and mother she leaves her husband and five children namely Francis, Walter, Mary, Laura and Vincent, who reside on their farm some distance from the village.

Sympathy is extended to those bereft of a loved one.

WILBERFORCE

A dance and box social is to be held on Nov. 14th. Admission 50c. Ladies with baskets free. The funds received will be for boxes overseas.

Mr. and Mrs. Phillips have moved in the village.

Mr. Melvil Croft is building a new ice house near his home.

The South Wilberforce W. A. dance was a success.

Political campaigns are under way and those that fail to vote will be the loudest in their criticism of the selected candidate.

LUMBER FOR SKI CHALET

(Continued from Page 1)

reliable record of all accommodation available in the area. F. O. Hodgson and Elizabeth Carroll were elected to this committee.

As there is an urgent need for a road to the Tow and a parking area, the members appointed Sect. Glen Austin and Pres. Robert Bishop to meet the Dysart Council and ask its consideration of bulldozing a road into the Tow via Moss Robertson's Ranch.

Bud Thayer was elected to see to the Junior Membership. Much interest was shown last year by the students. An increase in Jr. memberships is expected.

It was reported by Robert Bishop that Clint Melville, the representative from the Department of Travel and Publicity will be in Haliburton after the hunting season and plans will be formulated at that time for a School of Ski Instruction.

Another general meeting will be called early in December as the president felt that by Christmas time the various committees would have full reports to make to the members. Local merchants who have not taken out an Associate membership are urged to do so at once. Skiing certainly seems to have come to stay in Haliburton the Club depends on the Villagers' whole - hearted support.

Mr and Mrs George Alexander, accompanied by Mrs Ross Nicol visited in Toronto this week.

Mr and Mrs Glen Austin of Haliburton were visitors in Lindsay last week end.

Mr. and Mrs. Geo. Brennan Observe 25th Anniversary

Mr. and Mrs. George Brennan of Haliburton were the recipients of sincere good wishes, and many lovely gifts on the occasion of their Twenty-Fifth wedding anniversary on November the third. An "At Home" was held at the Brennan house and a host of friends and neighbours joined the couple in celebrating this Silver Anniversary.

A delightful lunch was served and the many friends enjoyed the beautiful silver decorated cake which formed the centrepiece on the table.

Among the guests who attended this pleasant party were: Mr. and Mrs. Henry Brohm, Mr. and Mrs. Jack Pollard, Mrs Bruno Tiberi, Mr and Mrs. Keith Brannigan, Mrs. Alf Robinson, Mrs. Laura Robertson, Mr. Ab Shrader, Mr. and Mrs. Harold Bannon, Mr. and Mrs. Jack Austin, Mr and Mrs. Percy Bolender, Mr and Mrs. Jack Preston, Mr and Mrs Val Hoxie and Miss Maybelle Roberts.

Mr. and Mrs. Brennan thanked their friends for their many sincere good wishes.

NORMAN SLOAN SPRAINS ANKLE

Norman Sloan of Eagle Lake and Reabro suffered a badly sprained ankle while working for C. Hobden. He was treated at the Haliburton Red Cross where X-ray examination revealed that no bones had been broken. Following treatment he was allowed to return to his home.

WESLEY SAWYER'S ANKLE HURT BY ROLLING LOG

While working for Hay & Co. at their Kennessis Lake timbering limits, Wesley Sawyer of Donald slipped and a log rolled over his right ankle. It was feared that he might have broken it, but X-ray revealed no fracture. He was treated at the Haliburton Red Cross Outpost and allowed to return to his home.

Mr and Mrs. Don James and daughter, Martha Ann of Minden visited in Toronto last Saturday.

HANDS IN TRAINING...FOR ONTARIO

Learning to Work With Copper and Brass

IN Ontario the wheels of industry turn for the benefit of every single one of us. Our lathes, dynamos, drill presses, farm combines, tractors, business machines, etc. are producing goods and services which earn dollars. These dollars provide food, clothing, medical care and other necessities which contribute to our security and high standard of living. Every single one of us, therefore, has a very personal interest in the flow of a steady supply of trained workers to industrial plants. These workers will operate machines which are important to our way of life.

We should appreciate, then, the co-operative efforts of government, industry and labour in the field of employee training. In schools and in factories our workers, young and old, are given the opportunity to develop new and specific skills in every field of business and industrial activity. For instance, every effort on the part of workers to become proficient in the art of shaping and moulding copper and brass, will mean greater industrial progress—will help to make Ontario a finer place in which to live and work.

THE BREWING INDUSTRY (ONTARIO)

Our Way of Life Rewards Trained Hands

Ontario workers know they can earn more, have executive responsibility and enjoy a higher standard of living in direct ratio to the skills they acquire and the way they make use of them. That's always true in a free economy—that's why our competitive system will continue to make Canada great and a great place in which to live.

BERKELY FEIR PRES. O.R.H. ASSOCIATION

Berkely Feir returned to Pres. of O. I. H. Association.

The annual meeting of the Ontario Rural Hockey Association for North Victoria and Haliburton was held in the Minden Arena Friday evening. The following officers were elected to the executive: Pres Berkely Feir, Vice President Clifford Broth and Sect. Treas. Max Johnson. The Managers of the Teams in the League will compose the executive as only three clubs have signified their intention of entering the League, namely Haliburton, Minden and Dorset.

Another Team will have to be found to complete this league in the very near future. It was decided by the meeting that a strong delegation will be sent to the Annual Meeting in Galt this year.

AL HARVEY SHOW TO BE PRESENTED

Minden and neighbouring communities are in for a real treat on Dec. 5th when the "Al Harvey Show" will be presented in the Minden Auditorium.

Among the outstanding stars of the Show will be "Benny and Margaret." Benny plays the violin and dances while Margaret will thrill the audience with her accordion. Rudy Spratt will be on hand with his banjo and string bass. Acrobatic Ruth Gibbard will also tap dance. Entertaining Tex Bloye the Cowboy Serenader and Ross Bertram, Magician Extraordinary will be there. And of course Al and Bob Harvey will entertain that evening in some original numbers.

As our readers will recall, Al and Bob were two outstanding radio artists of a few years ago. Bob left the show business and is now a well known Tourist operator, of "Tallpines" on the Minden-Dorset Highway on Tweve Mile Lake.

Al Harvey on his return from England recently appeared on the Maple Leaf Milling Broadcast. Last year Al had his own Show featuring Dixie Dean and Lew Snider and a seven piece orchestra. The program was on the air from seven until seven fifteen and was thoroughly enjoyed by many in the County.

This is only a brief outline of how interesting the Al Harvey Show will be. Our readers are urged to watch the County News for more particulars on this Big night at the Minden Recreation Centre.

Mr Len Phillips of Peterboro spent the week end at the home of Mr and Mrs Ed Hunter, Haliburton. Mrs Phillips and son Stephen who have been spending a few days at Hunter's returned to Peterboro with Mr. Phillips.

BORN

A son was born at the Haliburton Red Cross Outpost to Mr and Mrs Elgin Bowen of Harcourt.

DYSART COURT OF REVISION FINDINGS

(Continued from Page 4)

A. Hague, Haliburton; H. Horsley West; Guilford be included on the assessment roll as eligible for business assessment.

41. The Court ordered the following change of ownership be recorded with the assessor and the various properties be assessed to their present owners --

SONG FOR A SAWMILL

Mill whistle, splits the startled
dawn with white,
White plume of steam against rose
orange morning sky
And up the ramp in faded sky-blue
overalls,
Swinging identical lunch pails, the
workmen hurry by.
Now, like a rumble of tympani the
fan belts whirl,
The orchestra all tuned, the sym-
phony of day begun;
Shrill tenor scream of rip-saw and
alto whine of plane
Cross weave their fugal counter-
point from sun to sun.
Fragrance of spicy balsam, yellow
pine, and cottonwood
Impinges perpetual shimmer of
golden sawdust motes;
Noon is the intermission and the
startling hush
The pause for players, as indicated
in the program notes.
Down-river, drift the logs in never
ending stream
And out on freight sidings the
minted timbers flow;
Meanwhile in green glences of far
green northern woods
Skyward toward light and song
the young green saplings grew.

HUNTERS' RULES

1. Treat every gun with the re-
spect due a loaded gun. This is
the cardinal rule of gun safety.
2. Carry only empty guns, taken
down or with the action open, into
your auto camp and home.
3. Always be sure that the barrel
and action are clear of obstruc-
tions
4. Always carry your gun so
that you can control the direction
of the muzzle, even if you stumble.
5. Be sure of your target before
you pull the trigger.
6. Never point a gun at anything
you do not want to shoot.
7. Never leave your gun unatten-
ded unless you unload it first.
8. Never climb a tree or a fence
with a loaded gun.
9. Never shoot at a flat, hard sur-
face or the surface of water.
10. Do not mix gunpowder and
alcohol.

To experienced hunters, the
foregoing rules are a matter of
ingrained habit from long expe-
rience. In the great majority of
cases, the danger comes from the
novice.

CHAMBER OF COMMERCE MEET IN MONTREAL

Canadian towns, villages and cit-
ies are the backbone of business and
the nation. This was the general
theme of speakers at the 20th An-
nual Meeting of the Chamber of Com-
merce, which was held this year in
Montreal. Almost 700 delegates from
130 Chambers of Commerce and
Boards of trade across the country-
Prince Rupert B. C. to St. John's
Newfoundland- attended the lively
three-day session.

The picture of Canada unfolded at
the Chamber of Commerce meetings
showed up many of the country's
problems; showed also the vigour
with which Canadian Communities
were tackling them.

Henry G. Birks, retiring president
of the Chamber, said that the pow-
er, strength and future of the Cham-

LINDSAY - ONTARIO

ber of Commerce movement lay in
its development at the grass roots
level.

Here we have thousands of lead-
ing citizens in all sizes of commu-
nities working together unselfishly
and unsparingly to promote civic
commercial, industrial and agricul-
tural progress", Mr. Birks said.

Herman W. Steinkraus, president
of the Chamber of Commerce of the
United States also stressed the com-
munity theme. He said that business
must make a friend of the commu-
nity in which it lives. Mr. Stein-
kraus pointed out that it was not
enough for a business to provide
employment, it must also assist in
the moral, cultural, spiritual and
recreational development of the
community.

Some idea of the thought and eff-
ort which Chambers of Commerce
across the country have brought to
bear on Canadian problems is provid-
ed by the policy statements and
resolutions passed by the delegates.
Using the democratic process of

Canadian Money Reserves Used To Earn More Cash

Finance Minister Abbott doesn't believe in keeping our country's \$985,000,000 worth of gold and dollar reserves on ice.

A big chunk of it — how big is a secret — is put to work earning more dollars for Canada in the hurly-burly of the New York short-term securities field.

Earnings from these investments are far from an insignificant item in Canada's revenue. Last year Mr. Abbott's short term securities account showed a profit of \$3,000,000. **Hide and Seek**

Of course Mr. Abbott doesn't buy and sell on his own account, but for the country. But the trading done on his behalf makes for a wide ranging game of hide and seek with the "wise boys" in the New York Bond Market.

Many New York security dealers would probably give their eye teeth to know just how much the minister has invested in this way — but Mr. Abbott doesn't tell, not on a month to month basis.

If for example they knew what changes take place in buying and selling from time to time they could make a pretty shrewd guess as to trading plans for the future and urities, they would buy heavily thus take steps to speculate on it. **Force Prices Up**

Like business men in any market, security dealers ever are on the watch, trying to anticipate heavy buying by Mr. Abbott. If they could judge just when he is ready to sink more cash into securities and thus force up the price.

If this should happen, Mr. Abbott's investments would cast more The same thing could happen when selling.

If it were expected that such a large holder as the finance minister was about to sell, other dealers would try to sell first, anticipating a decline in price. This would force down prices and Mr. Abbott's returns would be less.

So Mr. Abbott keeps mum and no statements are issued to the public as to how many and the kind of securities he holds.

However, once a year he opens the door to his buying secrets by telling the people what his investments have earned in the annual report of the Foreign Exchange Control Board.

This shows that the earnings have been running about \$3,000,000 a year.

Short-term security sales would average in earnings about one per cent a year.

It would appear from these figures that Mr. Abbott chips off about \$300,000,000 a year from the reserves and shoots them out of the securities field.

CUTIES •• By E. Simms Campbell

Registered U. S. Patent Office

"Look . . . let me give you a little demonstration."

Of course that amount is for a year — what he does from month to month still is a well kept secret.

H. S. HIGHLIGHTS

This column reported and edited by students of Haliburton High School.

EDITORS

Murray Woodcock, Alla Rinnie
REPORTERS
Janet Woodcock, Myra Roberts

Everything was exceptionally quiet at the High on Halloween night. Not a single tricy was played. Whether this was the result of good school spirit on the part of the students or the warning received that any damage done might have to be replaced by them, it is difficult to say.

Initiation day held on Fri. 28th. was a great success. The new students had to dress as the seniors said and were paraded on main street at noon. In the corridor at recess, I saw one of the seniors having his shoes shined by a new student. A party, which everyone enjoyed was held in the school that night.

Assembly, last Friday morning

was conducted by Grade XII. The national anthem was sung with the leadership of Bonnie Lee. Jean Webb then read the Scripture text Bob Bishop supplied the entertainment.

Both etachers and students are busy planning and practising for commencement night which will be held this month.

A prize of five dollars will be awarded for the best composition in Minden School and the best in Haliburton.

A new sewage disposal system is being installed at the High.

Congratulations are due to Murray Fry who won first prize last spring in a contest called 'Know Ontario.' This contest was conducted in rural schools and had to do with the collecting of information on rural schools. Murray was then attending Eagle Lake School but is now going to our school.

Jimmy Pearson, who has been ill for several weeks, is still in the Lindsay Hospital. He is recovering favourably and we hope to see him back at school as soon as possible.

Noel Austin and Murray Woodcock spent the week-end of Oct. 28th with friends in Toronto.

The other day in Gr. XIII. Literature class, Miss Williams was reading Shakespeare. She was reading 'Let me have lights! Lights! Lights! At that instant the lights went out in the room. Everyone had a good laugh about it.

Quotable Remark: The trouble with being puntual is that nobody's there to appreciate it.

SECOND TRYOUT FOR HALIBURTON HUSKIES

The Haliburton Huskies Hockey Club held their initial workout at the new Peterborough Arena on Sunday afternoon. The coach and management were pleased with the response for playing material and from the pep and enthusiasm shown at the first practice it looks well for the Huskies of 1950. The following players attended the practice: A. Blanchard, G. Dart, B. Dart, J. Perrin; H. Brohm; M. Austin; M. Scheffee; M. Schell; K. Sisson; J. Sawyer; C. Brennan; J. Austin; G. Schell; K. Pearson; K. Carnochan; J. Dart; R. Carnochan; H. Baker.

The management have made arrangements for a second tryout next Sunday and all players desirous of making a position on the team are urged to be on hand. Players from Guilford, Eagle Lake asked to avail themselves of this opportunity of getting a little skating at this time and also to try and make a place on the Huskies line up.

THURSDAY, NOVEMBER 10 1949

CANADIAN LEGION ESSAY CONTEST

The Haliburton Branch of the Canadian Legion are sponsoring an essay contest in Minden and Haliburton High Schools.

Don't forget the dance tomorrow night at the Town Hall. There will be good music.

The contestants are required to write a two-hundred word composition on the "Significance of Remembrance Day."

Most surprising to the prospective builder is the way an architect can revamp one's \$10,000 "dream castle" into an ordinary looking bungalow.

Stocks of creamery butter in nine Canadian cities on April 22nd 1949, amounted to 5,264,000 pounds over three times as high as last year's 1,708,000 pounds.

The winter season certainly has arrived... two ways of being sure. It is colder, storm windows are going on... the roads are icy... and every night there is a meeting. The summertime is busy, we all agree, but the winter time can sure hold its own in this County. Ski Club meetings, Curling Club meetings, Hockey meetings, Church organization meetings and Skating Club meetings.

Which all reminds us... is there any truth to the rumour that Haliburton Village is going to follow Minden's example and form a Skating Club? Sounds like a splendid idea to us. Let's hear more of this. Certainly the Minden Skating Club was a real success. The number of little shavers in that area that can really skate would surprise you. We would suggest, if plans are afoot to form a similar Club here that it start moving before the schedules for Arena Skating time are compiled. This usually is earlier than we all think. We understand that the School Board are renewing its contract for an hour a week for every school child. This was also a 'treat' for the wee ones who didn't have a chance when the older boys and girls were on the ice. This is beginning to sound like a weak sport column and that isn't our forte, no siree!

xxxx
If you have a room that could be available for skiers this winter, why not call 121R30 and let us know. The Ski Club wants to know

exactly what the village and outside area has to offer in the way of accommodation. Thank you, we'll be waiting for your call. We, incidentally are on the Accommodation Committee.

xxxx
The Anglican Young Adults Club are expecting a fine turnout Thursday evening to the play 'The Campbells are Coming' which is to be presented by the Bateau Young Peoples.

xxxx
Speaking of Church organizations — bear in mind that the Haliburton United Church IDK Club is holding its Christmas Bazaar on November 23rd at 8 p.m. There will be a fine display of sewing, home baking, home made candy and what not. Have it on real good authority that an excellent cup of tea and a snack may also be bought. We'll expect to see you there.

xxxx
Would like to know why the members of the Community Park and Hall Board are so sure there was not a tender in for the job of constructing seats in the Haliburton Arena. Goodness knows the last Community Hall Board meeting was held on the last Wednesday of October. Tenders appeared for this job on the October 6th issue of this paper; tenders to be in the Clerk's hands not later than October 20th! The Board didn't get around to it until November 4th and members of the Board like Reeve Curry and J. A. Robertson didn't know that any tenders were in, as late as Dysart Court of Revision which was November 1st. Who do they think they are fooling anyhow?

Judging from the buildings constructed by Contractor Gordon Smeaton in Minden... the Haliburton Community Hall and Park Board were darn lucky to have received a tender from this man.

xxx
"A little bird told me" that some worthy citizens are collaborating on a song entitled "Big Hawk Blues." Perhaps "Taint what you say it's the way what you say it" would serve the purpose and save time.

xxx
Residents along the road from Eagle Lake to West Gifford are pleased with the improvement made on this road by the recent grading with the large department of Highways grader. Les Boucher of that Department, it appears, was responsible for this work. On behalf of the citizens in that area we say "Thank you."

CLERK'S NOTICE OF FIRST POSTING OF VOTERS' LIST 1949

Municipality of Dysart, et al
County of Haliburton

Notice is hereby given that I have complied with Section 8 of the Voters' List Act and that I have posted up at my office at Haliburton on the 9th day of November, 1949, a list of all persons entitled to vote in the said Municipality at Municipal elections, and that such list remains there for inspection.

And I hereby call upon all voters to take immediate proceedings to have any errors or omissions corrected according to law, the last day for appeals being the 13th day of November 1949.

Dated this 10th day of November, 1949.

G. H. WINDSOR,
Clerk of the
Municipality of Dysart

Hear that Mary Woods and her Orchestra will be playing in the Town Hall on Friday evening, Nov 11th for the Cemetery Board. Judging from "the talk" these dances are proving very popular.
